Which menu item should you use? (To answer, select the appropriate menu item in the answer area).

Answer:
Explanation:

NEW QUESTION: 3

Answer:
Explanation:

Explanation

Add or remove site collection admins by using the SharePoint admin center You have to sign in to Office 365 as a global admin or SharePoint admin. You must then navigate to the s SharePoint Admin center. You then select the check box in front of the site collection for which you want to change the administrators, click Owners, and then click Manage Administrators. You can now change the name in the Primary Site Collection Administrator box, or add or remove names in the Site Collection Administrators box.
